

clos de

As our icon wine, Clos de Fa is a single vineyard wine, which comes from our historical and exclusive 2 ha vineyard located in Pirque, within the Maipo Alto Valley DO. This vineyard is located 2600 ft high, in the foothills of the Andes mountains. During the day, temperatures can reach 95 °F and can get as low as 40 °F. This temperature amplitude is a key factor to produce exceptional quality wines.

Clos de Fa is handcrafted blend, available in limited quantities only.

**DENOMINATION OF ORIGIN - PIRQUE ALTO MAIPO**

Best known for red wines production due to its mild climate, it is the closest region to Santiago. Rocky alluvial soils are found here which are ideal for the red varieties. The mountains have an influence on the vineyard's microclimate due to the altitude, the cool breezes in the evenings, and a higher temperature during the day. This specific growing region is well known for producing the best Cabernets from Chile, and enhancing Syrah and Merlot quality.

**ICON BLEND**

**WINE PROFILE**

**BLEND:** Cabernet sauvignon (85%) Syrah (10%) Merlot (5%)

**HARVEST:** By hand

**FARMING:** Sustainable

**WINEMAKING:** Traditional in stainless steel tanks with an average length of 30 days, and temperatures about 26–28°C.

**AGEING:** 18 months in new French oak barrels.

**TASTING NOTES**

**COLOUR:** deep ruby red.

**NOSE:** The magnificence of this premium blend is the complexity of its bouquet. Each variety is represented. From blackberry, red cherries, and prunes to the more complex liquorice, sweet spices, leathery and peppery notes, and finally, a herbal lift typical of a cabernet sauvignon.

**PALATE:** A balance between fruity flavors and more developed characters. Well structured with smooth, fine-grained tannins from start to finish, our Premium Blend is juicy, round with a smooth finish.

**SERVE AT:** 16°
