

eSer

"SER" (meaning "TO BE" in Spanish, but also "LOVE" in Armenian, the World wine cradle) is our single vineyard series, from Cachapoal D.O. Available in Carmenere, Cabernet Sauvignon, Merlot, and Syrah, these vibrant wines express the best of these varieties in Chile. The vines are located 2600 ft high, in the foothills of the Andes mountains.

Available in limited quantities only.

DENOMINATION OF ORIGIN - ALTO MAIPO

Best known for red wines production due to its mild climate, it is the closest region to Santiago. Rocky alluvial soils are found here which are ideal for the red varieties. The mountains have an influence on the vineyard's microclimate due to the altitude, the cool breezes in the evenings that cool down the vineyard temperature, and a higher temperature during the day. This specific growing region is well known for producing the best Cabernets from Chile but it is also ideal for Syrah and Merlot

CABERNET SAUVIGNON

WINE PROFILE

VARIETAL: Cabernet Sauvignon

HARVEST: By hand

FARMING: Sustainable

WINEMAKING: Traditional in stainless steel tanks with an average length of 30 days, and temperatures about 26–28°C.

AGEING: 18 months in new (60%) and one-year used (40%) French oak barrels.

TASTING NOTES

Colour: Deep ruby red.

Nose: Fresh aromas with a pronounced intensity of cassis that is predominant in the bouquet. Classic notes of Cabernet Sauvignon can be perceived such as cedar, menthol, and red currants. Lovely complex notes of leather and spices are complementing the primary aromas.

Palate: Balanced, with refreshing acidity and round tannins, the cassis flavor is the star here and cannot be mistaken. Notes of leather, corral and tobacco enhance the profile of the palate. It is a smooth and elegant Cabernet, with a pleasant finish.

SERVE AT: 16°
